### Here's what teachers are saying about Destination Snow.....

Working with DS has proven to be a god-send for our program. Being able to count on an organization to take care of all details from start to finish makes taking a big group to Whistler a breeze. We're particularly impressed with the level of service the guides provide. 77

... Phil Ohl, director of Saanich International Students

We have nothing but praise for Destination Snow. The trips are very well organized and the guides provide outstanding service throughout the weekend. They are very effective at dealing with mountain and hotel staff. For teachers, this is an opportunity to be with students on a recreational activity knowing that Destination Snow has taken care of the travel and mountain arrangements. 77
